

## Microwave baking equipment

### Features and advantages of a reasonably priced microwave baking equipment:

1. High energy conversion efficiency and fast heating speed.
2. Our microwave equipment can effectively maintain the original flavor and nutrients of the food, without changing the color and shape of the food, and improve the grade of the product.
3. The dual effects of the thermal and non-thermal effects of microwaves have bactericidal effects.
4. The puffing effect is good.
5. A multi-purpose machine. The power control, temperature, speed and other parameters of the microwave oven can be adjusted through the equipment control panel to realize different processing technologies such as heating, thawing, baking, drying, sterilization (pest control), curing, and puffing.
6. Environmental protection, energy saving and sanitation. Meet the testing standards for food hygiene.

### Product Specification:

Model	DL-12 KW	DL-30KW	DL-50KW	DL-80KW
Microwave frequency	2450/915MHz	2450/915MHz	2450/915MHz	2450/915MHz
Output Power	12KW	30KW	50KW	80KW
Drive speed	0-5m /minute (Adjustable)	0-5m /minute (Adjustable)	0-5m /minute (Adjustable)	0-5m /minute (Adjustable)
Leakage value	$\leq 3\text{mw}/\text{m}^3$	$\leq 3\text{mw}/\text{m}^3$	$\leq 3\text{mw}/\text{m}^3$	$\leq 3\text{mw}/\text{m}^3$
Size	7000x840 x1800mm	10500x840 x1800mm	12500x1200 x1800mm	15000x1400 x1800mm

Baking Capacity	120-150kg /hour	300-400kg /hour	500-600kg /hour	800-1000kg /hour
-----------------	-----------------	-----------------	-----------------	------------------

- ✧ Available in Gas or Electric (Electric by Quote Only)
- ✧ Standard Construction & Controls Standard same as Walk-In / Truck-In Oven
- ✧ Ovens are built Standard to 500° F Maximum. For Higher Temperatures, Call the Factory
- ✧ Tunnel Oven Options include Stand, High Temperature, Vertical Lift Doors, and Overhead Rail Accommodations
- ✧ Conveyor Ovens are Standard with 1" x 1" SS Flat Wire Belt & Adjustable Speed (3"- 2' / Min)
- ✧ Conveyor Ovens Include Stand to Raise Belt to 37" Above Building Floor (Unless Advised Differently)
- ✧ Conveyor Ovens include Vestibule, Heat Curtain, and Adjustable Door Panel on Each End. Tunnel Ovens offer similiar Features as Options

Profile of microwave baking and roasting equipment:

country of origin	China
Material	Stainless steel
Model	LT-12KW, 30KW, 50KW, 80KW, 100KW
Voltage	220 / 380V

As one of the top suppliers of microwave equipment suppliers, our Leader Machinery microwave baking equipment uses advanced technology and high quality materials. Therefore, it has a long service life. At the same time, our machines can be tailored to your productivity needs. If you purchase any of our microwave equipment, we will send technicians on-site guidance, provide hands-on training and maintenance, regular phone calls, emails, door-to-door visits and satisfaction surveys. If you need a machine, please contact us. We look forward to serving you!
